Mrs. Rhoda Ross and Malissa Spark

Scott's **Emulsion**

of Cod Liver Oil is the means of life and enjoyment of life to thousands: men, women and

When appetite fails, it restores When food is a burden, it lifts the burden.

When you lose flesh, it brings] the plumpness of health.

When work is hard and duty

is heavy, it makes life bright.

It is the thin edge of the wedge; the thick end is food. But what is the use of food when you hate it and can't digest it?

Scott's Emulsion of Cod Liver Oil is the food that makes you forget your stomach.

A Column Dedicated To Tired he calls the children up on a Mothers as They Join The Home Circle.

---X---

The ideal husband and the ideal wife are purely creations of

000 Happiness is a perfume that one cannot shed over another without a few drops falling on one's self.

000 Nothing is more charming to see than a young girl, simple, natural gentle, refined, unaffected and pol- He counts on his fingers, making esished in mind and manner. Children should be early taught politeness; not politeness and manners to put on the best dress. True politeness ta that which springs from a nice mind nad a kind heart, which refuses to wound others by acts of discourtesy. True politeness is rare for you today, sir?" A man has ed an aromatic, pleasant herb cure and more valuable perhaps, than is for woman's ills called Mother often imagined.

> 000 Of course we love our own best, then why not show it? Why be affable and courteous to everyone except those to whom we owe the most It is often owing to thoughtlessness and carelessness, but that makes it none the less criminal. Bickering rna strife which goes on in many households is disgraceful, and from the inevitable unhappiness I causes. There are many ladies and gentlemen outwardly polished and spreeable, the favorites of society, and the life of all social gatherings they attend, who indulge in manners at home that would disgrace a sav-

age. They seem perfectly transformed. Company manners are at last but a very thin veneer, the true nature is apt to come to the rutface and the keen observer soon detects

SUNSHINE. Sunshine in the lives and souls of people is just as potent in the realm of the home as the sunshine that drives darkness from our world and brings that warmth which is esbe sential to life and growth in the crected on the hill at John Large's vegetable kingdom. There is a conhigh vencing and vivilying power in soul sunshine; for as has been well said, Sam Rose is doing some fine work men and women, youth and children, seek the friendship of the sunny Misses Sadie and Lucy Burton at- faced. All social circles welcome church at Daniels creek cheerfuness. A sunny face is an open pleasure to hearts and home There will be church at Lower Byitburdens are lightened, win the fourth Saturday night dispelled, sorrow banished, and hope made to reign triumphant where fear and doubt, and despondency held high carnivel. Your own life will be sweetened, your own joys

en-lighted, sunny face.

sort of agent to see that they have Home Circle Column. a sort of agent to see that they have of family government he not touch. Once or twice a year he calls the children up on a Sab-

half an hour he does not know exactly what to do with, and in that half hour he disciplines and corrects their faults and gives them a great deal of good advice, and then wonders all the rest of the year that his children do not do better when they have the wonderful advantage of that semi-annual castigation. The family table, which ought to

be the place for pleasant discussion and cheerfulness, often becomes the place of perilous expedition. there be any blessing asked at all, It is cut off at both ends and with the hand on the carving knife, timates of the interstices of the repast. The work done, the hat goes to the head and he starts down the street before the family have arisen he has bound up another bur dle of goods and says to the customer: "Anything more I can more responsibility than those which are discharged by putting competent instructors over his children and giving them a drawing master and music teacher. The physical culture of the child will not be attended unless the father looks to it. He must sometimes lose his dignity. He must unlimber his joints. He must sometimes lead them out to their sports and forget the severe duties of life sometimes, to fly the kite, and trundle the hoop, and chase the ball, and jump the rope with children, ought never to have been tempted out of a crusty and redeemable solitariness. If you want to keep your children away from places of sin, you can only do it by making your home attractive. You may preach sermons and advocate reforms and denounce wickedness, and yet your children will be captivated by the glittering saloon of sin unless you make your home a brighter place than any other place on earth to them. Oh, gather all charms into your house. If you can afford it, bring books and pictures and cheerful entertainments to the household But, above all teach those children, not by half an hour each year on the Sabbath day, but day by day and every day teach them that religion is a great gladness, that it throws chains of gold about the neck, and it takes no spring from the foot, no blitheno spring from the foot, no blithe-ness from the heart, no sparkle from fer under advisement.—Pikeville the eye, no ring from the laugh Herald. ter, but that "her ways are wh of pleasantness, and all her p; are peace.
